Stone Age Britain Quiz & Trivia Cards	Teens, adults, quiz nights and families
Stone Age Britain Site Visit Journal	Adult history fans, families and day-trippers

The full packs are at stone.ages.im/shop/.

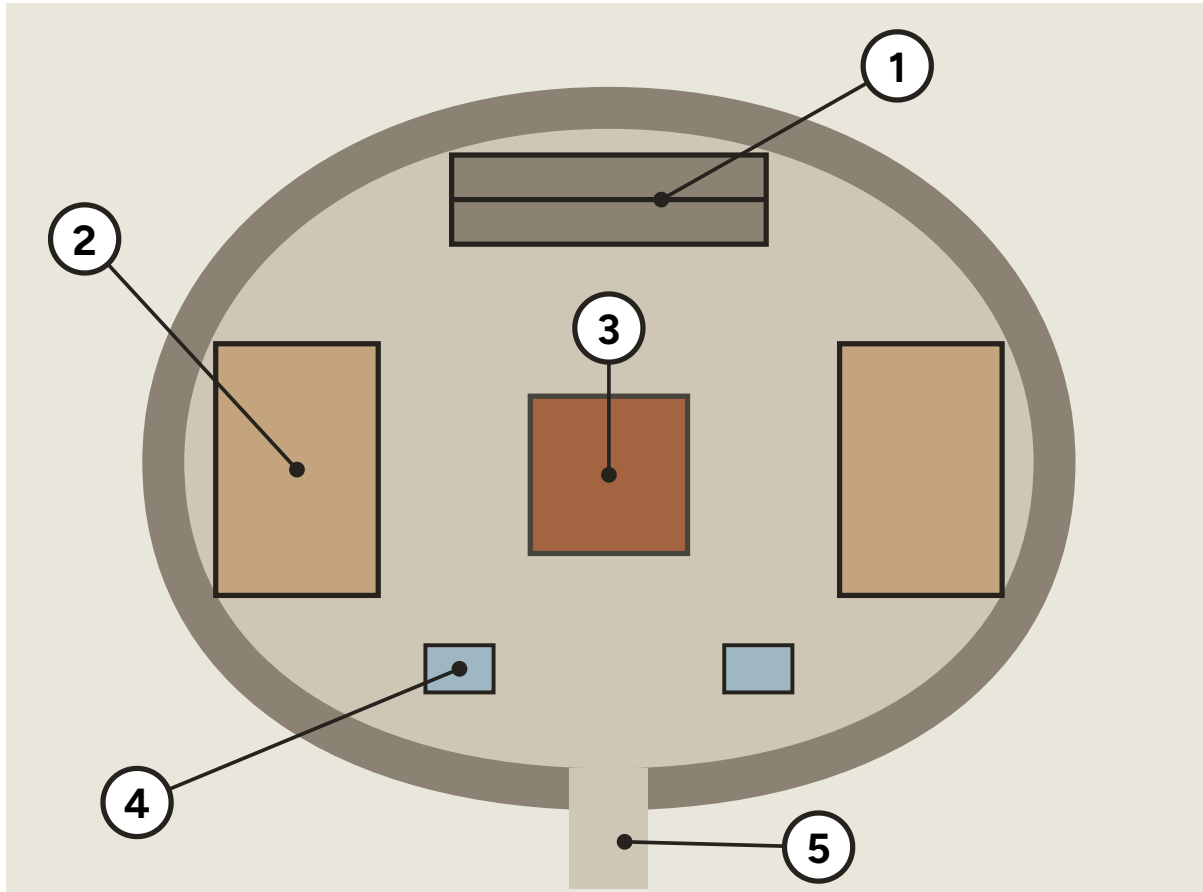

ABOUT THE DATES

Prehistoric dates are estimates, and experts revise them as new finds are dated. Different sources sometimes give different dates; where they do, we show each one with its source.

FROM THE KS2 TOPIC PACK

Inside a Skara Brae house

Write the right word by each number

A plan of one house, seen from above. Our own simplified drawing, not to scale, not a reconstruction of a real find.

Word bank: box-bed · dresser · floor tank · hearth · passage

Answers: 1. dresser · 2. box-bed · 3. hearth · 4. floor tank · 5. passage

Each room has a stone “dresser”, two box-beds, a central hearth and small tanks set into the floor.

FROM THE POSTER SET

The Stone Age timeline, part 1

The first tools to the Star Carr house

ABOUT 3.3 MILLION YEARS AGO

The oldest known stone tools are made (Encyclopaedia Britannica: Stone Age)

950,000–700,000 YEARS AGO

People leave tools and footprints at Happisburgh, Norfolk (Natural History Museum: First Britons)

ABOUT 500,000 YEARS AGO

People live at Boxgrove, West Sussex (Natural History Museum: First Britons)

ABOUT 450,000 YEARS AGO

The Anglian glaciation makes Britain too cold for people (Natural History Museum: First Britons)

ABOUT 400,000 YEARS AGO

Early Neanderthals are in Britain (the Swanscombe skull) (Natural History Museum: First Britons)

AT LEAST 40,000 YEARS AGO

The Kent's Cavern jaw: our own species in Britain (Natural History Museum: First Britons)

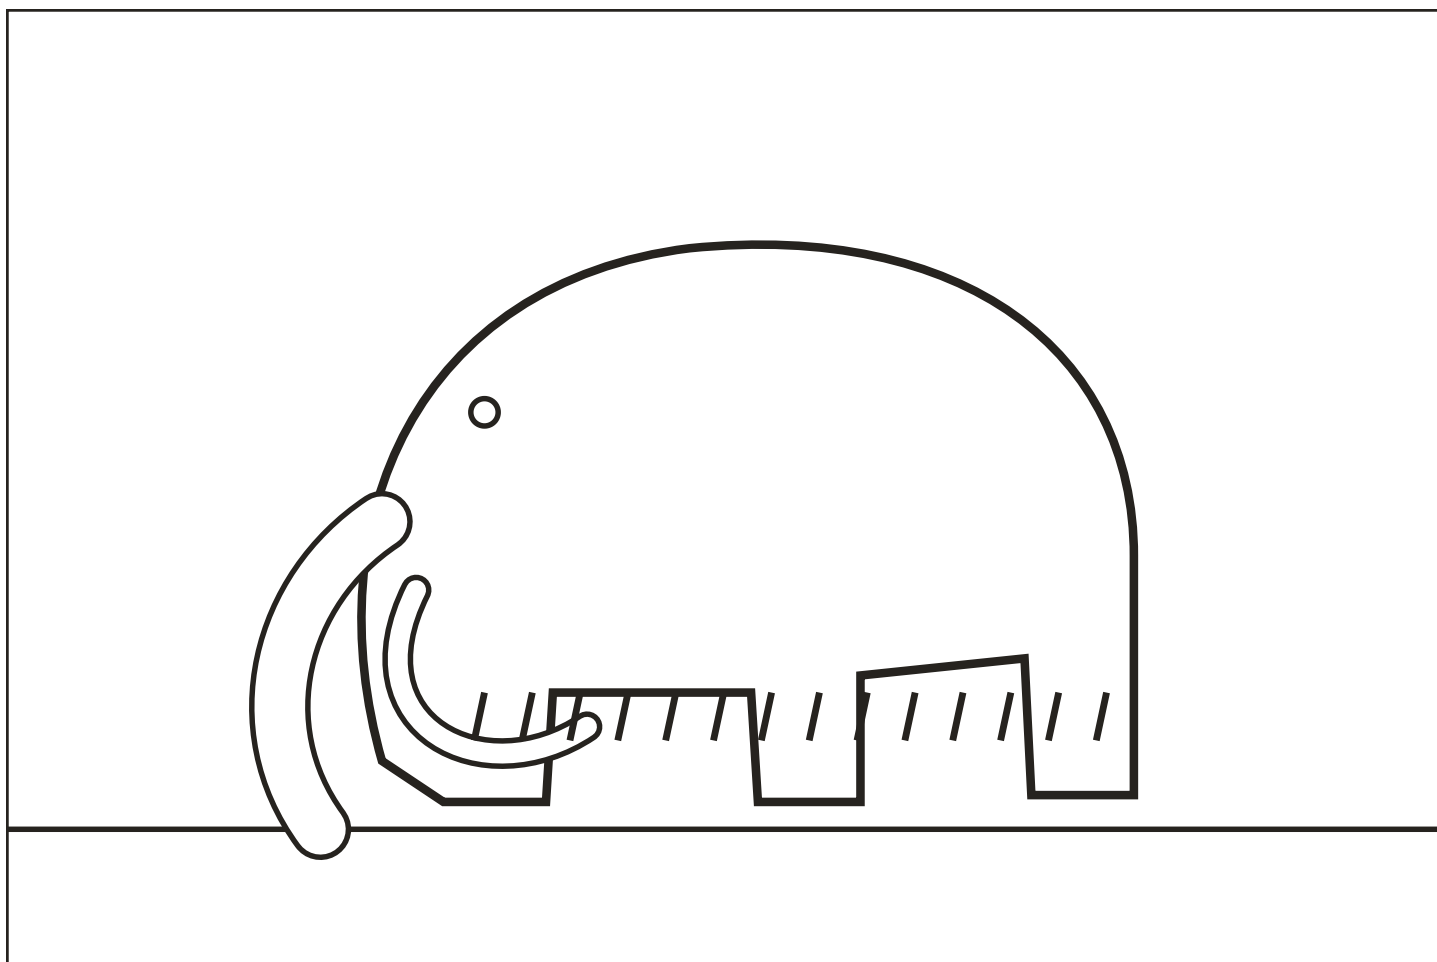

AT LEAST 8,500 BC

The Star Carr house is built (University of York: Stone Age remains are Britain's earliest house (10 August 2010))

FROM THE COLOURING PACK

A woolly mammoth

It lived on cold grasslands

Those cold grasslands supported woolly mammoth, woolly rhino and reindeer.

Credits, licence & help

The small print, kept short

YOUR LICENCE

Thank you for buying from REALLYBYTE. This file is for **your own personal use**: print as many copies as you need for yourself and your household. Please don't resell it, re-upload it or share it publicly. For club, school or commercial use, please email info@reallybyte.com.

All drawings, charts, puzzles and layouts are REALLYBYTE's own original work. Drawings are our own simplified impressions: not photographs or reconstructions of real finds, not to scale, and not copied from any plan, guide, photo or book.

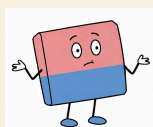

WHERE THE FACTS COME FROM

Every fact in this pack was checked against the source pages below on 29 Oct 2026. Figures that can change are marked "(checked 29 Oct 2026)" where they appear. Where sources give different figures, we show each one with its source rather than picking one.

Historic Environment Scotland: Skara Brae, history: www.historicenvironment.scot/visit-a-place/places/skara-brae/history/
Encyclopaedia Britannica: Stone Age: www.britannica.com/event/Stone-Age

Natural History Museum: First Britons: www.nhm.ac.uk/discover/first-britons.html
University of York: Stone Age remains are Britain's earliest house (10 August 2010): www.york.ac.uk/news-and-events/news/2010/research/earliest-house/

Not affiliated with English Heritage, Historic Environment Scotland, the Natural History Museum, the University of York, the South Tyrol Museum of Archaeology, Encyclopaedia Britannica or the Department for Education. Their names are used only to identify the sources quoted. All pictures are our own simplified drawings, not photographs and not reconstructions of real finds.

NEED HELP?

Useless can't help (he's an eraser, and he's busy rubbing out the bits he got wrong), but we can. Problems with your file, or spotted something we should fix? Email info@reallybyte.com.
